Novel Coronavirus – Basic preventive measures

Following measures have been suggested by the Ministry of Human Resource Development, Government of India and World Health Organization to prevent from getting infected:

- Wash hands frequently with an alcohol-based hand sanitizer / soap & water
- Avoid touching eyes, nose and mouth

- Maintain at least 1 metre (3 feet) distance between yourself and anyone who is coughing or sneezing
- Avoid public gatherings
- Use handkerchief / tissue over mouth while coughing / sneezing
- Stay away from school when sick
- Seek medical help if you have fever, cough or difficulty in breathing
- Stay informed and follow advice given by your doctor
- Wear a mask if you are coughing or sneezing. Masks are effective only when used in combination with frequent hand-cleaning, with alcohol-based hand sanitizer / soap and water

Promoting Digital Payments

As directed by the Ministry of Electronics & Information Technology, Government of India, parents are requested to maximize the usage of digital payment modes, such as Debit / Credit Cards, IMPS, NEFT, RTGS, Internet Banking, e-Wallets etc., for payment of fees etc.

Retests

No retests will be conducted for any child who is missing an examination or Unit Test. A zero will be marked.

However, in case of promotions, a compassionate approach will be considered.

With good wishes,

Ainsley Edgar
