

BARNES SCHOOL & JUNIOR COLLEGE, DEVLALI
CIRCULAR NO 14 / 2020-2021

Thursday, 22nd October 2020

Dear Parents,

I am happy to inform you that with Wing Commander Anil Singha (Retd.) joining our staff as Administrative Officer, we will be introducing an **NDA** (National Defense Academy) cell in the school.

While admitting students for Grade XI, many expressed a keen desire to join the NDA and as a school we fully endorse their decision as in the past our school has produced some of the finest defense personnel, who were top notch, like **Air Chief Marshal Anil Yashwant Tipnis** and **Chief of the Naval Staff, Admiral Karambir Singh**.

We will share more information with parents and the students as time goes by.

We would also like to encourage our **Grade XII** students to sit for the **NDA Examinations** in April and September 2021.

We **thank** all the **parents** who have **cleared fees** for the **first two terms** and inform them that the third term's fees have become payable from **10th October 2020**.

Having completed the Unit Test assessments and monthly tests, I am pleased to inform you that we will be holding the **Half Yearly Assessments** shortly.

Kindly ensure that your child / children's fees remain paid till the 3rd Term in order **not to embarrass the children**, and so that we may release your child's Hall Ticket for the Half-Yearly Assessments, as and when it is conducted.

We are pleased to inform you about the following:

- The smooth conduct of Open House for Grades X & XII
- Open House for the remaining classes:
 - Grade I on Monday, 26th October 2020
 - Grade II on Tuesday, 27th October 2020
 - Grade III on Wednesday, 28th October 2020
 - Grade IV on Thursday, 29th October 2020
- Online Debates for Grades V to XII
- Singing Competition for Grades I to XII on 31st October 2020
- Inter-House Quiz Competition for Grades V to XII to be held shortly
- Elocution for Nursery & Primary School and Colouring Competition for Grades I to IV also to be held shortly

Parents are requested to encourage the participating and performance of students through likes and other emoticons.

Please be informed that this year due to a lack of regular classes, the **Trinity Classes** will be kept **on hold** till further notice.

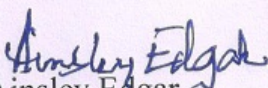

Please find attached the **COVID-19 precautions** being taken by the school and we request you to constantly encourage your children to inculcate the same.

Parents are once again reminded to visit **our website**, www.barnesschool.in, frequently and go through the **circulars** so that you are aware of scheduled assessments, due dates of registrations, fees etc.

On behalf of Barnes School & Junior College, we wish all our parents and students a joyous Dussehra and we sincerely pray that you continue to remain safe and happy!

Thank you.

Sincerely,

Ainsley Edgar
